Day 1-Today we make our way to the Country Inn & Suites in Rochester, NY. Dinner is included and will be at Biaggi's.

Day 2-After an included breakfast at the hotel we will find ourselves making our way along the scenic byways of Vermont into New Hampshire and the Mountain View Grand Resort. Surround yourself with AAA Four Diamond luxury while you enjoy the hotel’s palatial Revival Style historic design, panoramic New Hampshire White Mountain vistas, and elegantly appointed guest rooms. You will have a $30.00 credit to use in any of the restaurants on the property at your leisure for dinner.

Day 3-After breakfast today we are headed to ride the Worlds’ first mountain climbing train to the top of Mt. Washington, the highest peak in New England! This afternoon we will be in Bethel, Maine and the Sunday River Resort, our home for the evening. Before dinner today we be driving through some of the most picturesque areas of Grafton Notch State Park on a MOOSE SAFARI. Keep your cameras ready, you never know when they’ll be posing. Dinner will be at the resort this evening.

Day 4-A hearty breakfast today we will be doing a little sluicing and looking for gems of our own. We will be stopping in Farmington for lunch on our way to Bangor, Maine, the hometown of Stephen King for a brief stop for pictures in front of his home. Our hotel for the next 2 nights is the Atlantic Oceanside in Bar Harbor, Maine.

Day 5-After breakfast today we pick up a guide to tour Acadia National Park. People have been drawn to the rugged coast of Maine throughout history. Awed by its beauty and diversity, early 20th-century visionaries donated the land that became Acadia National Park. The park is home to many plants and animals, and the tallest mountain on the U.S. Atlantic coast. Following the tour we have some free time to browse the shops and have lunch on our own in Bar Harbor. This is followed by a very informative Lobster Cruise on the only Lobster Boat tour in Bar Harbor hosted on a traditional Downeast-style lobster boat. This will be followed by a traditional Downeast lobster bake.

Day 6-Today after breakfast we will follow the rugged and scenic coastline down to Boothbay Harbor where we will board the boat for our Whale Watch Cruise. Cap’n Fish’s is the originator of Whale Watching in Boothbay Harbor and has been Whale watching longer than anyone in the region. A family held corporation for three generations, Cap’n Fish’s Whale Watch is the premier choice for experiencing the whales, sea birds and marine wild life that the Boothbay Region has to offer. Their captains have the MOST experience sighting whales of any captains along the coast of Maine. After this three and a half hour tour we will check into the Hampton Inn of Bath, Maine.

Day 7-Our day starts out after breakfast at the Maine Maritime Museum. Experience Maine’s rich seafaring history on the banks of the Kennebec River at Maine Maritime Museum. From watercraft and lobstering, to shipbuilding and sea trade, you’ll hear stories about dangerous voyages to distant lands, see how a shipbuilder’s family lived in the 1890’s, smell the sawdust from historic ship timbers, and discover the wonders and mysteries of Maine’s maritime culture. We will also tour the Bath Iron Works. This tour takes you behind the gates of Bath Iron Works to see how modern U.S. Navy destroyers are built. The Boston Globe called it a “must-see” and Down East magazine named it a “2010 Best of Maine” attraction. Before we get to Portland, we will stop in Freeport-home of L.L. Bean for lunch on our own and a little shopping time. After checking into the Portland Hampton Inn, we will have dinner at DiMillo’s on the water this evening.

Day 8-This morning after breakfast we will be touring Kennebunkport, Maine. Kennebunk’s Lower Village & Kennebunkport’s Dock Square are located along the ocean and Kennebunk River. Settled in the 1600’s and a long time ship building mecca, the river banks saw five-masted ships and schooners making their way down the river on their way to the sea. Sea captains built fine mansions, many of which are preserved today as lovely inns with antique charm. This is also home to George H. Bush in the summer. Lunchtime will find us at Quincy Market in Boston, followed by a tour of the old freedom trail as well as other points of interest along the way. After check in at the Embassy Suites we will have dinner at the Union Oyster House, the oldest restaurant in America.

Day 9-After breakfast we make our way out of Boston and to our overnight stay at the Clarion, PA Hampton Inn. Dinner is included this evening.

Day 10-After our last breakfast together we are headed home with lots of pictures, memories, and new friends from another Excellent Adventure.
