Day 1-Our adventure begins today as we head south to Huntington, West Virginia and the Pullman Plaza Hotel. Dinner is included this evening and will be at the hotel.

Day 2-This morning we will board the New River Train for an excursion that will take us all the way to White Sulpher Springs, the home of the Greenbrier Resort. The Greenbrier is an award-winning resort located in the Allegheny Mountains of West Virginia. As a National Historic Landmark, The Greenbrier’s classic architecture, exquisite interior design, abundant scenic beauty, and outstanding amenities have hosted distinguished guests from around the world since 1778.

We will have an included lunch here at the resort before our bunker tour. During the 30 years that the bunker was a secret, groups were meeting there and enjoying theme parties and dinners, without realizing they were in a top-secret government facility. They never realized that the Exhibit Hall was actually designed to be the work place for Congressional staff or that the Mountaineer Room and Governors Hall would easily accommodate the US Senate and House of Representatives. After our tour here is complete, we are headed north to the Holiday Inn Express in Elkins, West Virginia. Dinner is included and will be at the Adaland Mansion.

Day 3-Today we get to ride the Cass Scenic RR. Nestled in the mountains of West Virginia, Cass Scenic Railroad State Park offers excursions that transport you back in time to relive an era when steam-driven locomotives were an essential part of everyday life. Trips to Cass are filled with rich histories of the past, unparalleled views of a vast wilderness area, and close-up encounters with the sights and sounds of original steam-driven locomotive. Dinner is included and will be at the Graceland Inn, a local restaurant.

Day 4-We start this morning at the American Mountain Theatre for a two hour Branson Style Variety show. Located in the Historic Rail Yard in downtown Elkins, West Virginia, the American Mountain Theater is the state’s first and only Branson Style” family friendly music, comedy, and variety show. After the show we will board the New Tygart Flyer. This ride features two separate mountain grades, an “S” curve tunnel, passage into a 1,500 feet deep canyon with steep, densely forested slopes, and a high bridge over the rushing Shavers Fork of the Cheat River. his smooth climate-controlled passenger train has gained a reputation as one of the most exciting mountain wilderness excursion rides in the US. The 4-hour, 46 mile round trip departs from the restored Elkins Depot. This trip culminates at the inspirational “High Falls of Cheat,” an 182 high, 1502 wide waterfall in one of the most remote and pristine settings in the Eastern United States. Dinner tonight is at the 1863 Restaurant.

Day 6-After breakfast this morning we are headed to Romney, WV for an all day excursion aboard the Potomac Eagle. The historic Potomac Eagle Scenic Railroad is one of America’s most beautiful train rides. Enjoy a narrated excursion through a tranquil and pristine mountain valley. View historic farms and lush mountain greenery. Around every curve you are rewarded with the splendor of native wildflowers, evergreens, and mixed hardwoods in an unspoiled countryside environment. Todays dinner will be aboard the train.

Day 5-After breakfast at our hotel this morning we are headed home with lots of memories, pictures, and new found friends from another Excellent Adventure.
